March 10 - 12, 2008

CLBC and its community partners will host a 3 day conference to help agencies think in detail about how they individualize supports and services.

Presenters will represent leading agencies from across BC and Canada.

Learn the latest ways agencies are responding to the unique needs of individuals and families and help re-shape how supports and services are provided in BC.

**Delta Vancouver
Airport Hotel**

Registration
information will be
available in the fall 2007
