b) Review goals and plan direction

Poster contest: did not sort the details before the beginning of the school year, can the contest still be achieved this year? What are the other goals for the rest of the year if the decision is not to move forward with the poster contest? Should the poster contest be postponed or terminated?

The poster contest was seen as a way to meet all the identified goals.

Had previously spoken about a photo shoot highlighting self-advocates, flash mobs, wanting to increase presence in community through town meetings,

rotary clubs, groups etc.

Vote to go ahead with planning poster contest: 4 vote to continue planning the poster contest, 3 vote to put poster project on hold

Poster planning subcommittee: Cody, Madeleine, Denise & Susan/Mark; council to hear by next council meeting how it's moving forward; Madeleine will chair subcommittee.

Community presence: would like to have more presence in community as far as special service groups, need to continue on that path, take ownership as council member and attend one community meeting eg self-advocate groups, chambers of commerce, rotary clubs, etc explaining who we are and that we live in "your" community; in Cranbrook, the place to start is with the service providers.

Council members are comfortable speaking with the community and will commit to speaking to one community group, Mark will go to chamber of commerce in Kimberley, Cody will go to Trail chamber of commerce

Directions for next year: possible photography shoot, continue to connect with CLBC staff,

Barbecue in Cranbrook went well, picnic in Nelson went well, ought to do more of those kinds of things
