AGENDA TOPICS

Jun 15 2009	Acceptance of agenda and approval of last meeting's minutes	Since there was not a quorum present, the minutes could not be approved.
DATE	TOPIC	DISCUSSION
Nov 27 2008	MCFD Summary Document and Children Transition	<p>Nov 27 – Community Council members requested that an MCFD Summary Document be distributed to have consistent information. The ask will be sent to MCFD headquarters, Ken Kabool and will email Glen Campbell. D. Appleby put forward motion to request the Summary Document, J. Jordon seconded, all in favour.</p> <p>Jan 28 – WIP – The children's transition is still planned for October 2009. Three people now make up a Governance Committee to ensure everything moves forward smoothly. MCFD wants all of the service provider contracts in their name by April 1, 2009. Staffing details have been mostly worked out. There will be seniority, holidays, vacations, etc. It is the same union. Staff preferencing has not happened yet, however priority will be given to previous MCFD staff and the location to where they are already. Offices being transitioned to CLBC/MCFD still to be decided.</p> <p>Mar 4 – WIP – CLBC will have 4 or 5 CEO's which reflects the MCFD model. No extra money will be spent on these positions, most will be internal moves and from funding set aside for other positions that were not filled. This will enable better communication with Managers contacting CEO's directly. This model will be on a trial basis for one year. The children are still being planned to transition to MCFD in October. Glen will be going to Victoria next week and doing a risk assessment around the whole move. The current minister of family and children will not be running anymore and he is the one who made the suggestion. More will be known after the provincial election.</p> <p>Apr 29 – WIP</p> <p>May 27 – WIP – There was no new news to announce.</p> <p>Jun 15 – WIP – No new news to announce on the transition. Currently CLBC cannot accept any new CIC's (Children in Care) as there is no funding for this. CLBC is looking at options to see what they can do if it happens. Emergency cases must be sent to Head Office. The hope is that once the children go to MCFD, they will help this issue.</p>
