Minutes: Isabelle Listar

1. Strategic Plan

Council members to implement the Strategic Plan.

Part of the strategic plan is to do presentations and listen to what the concerns are.

2. Presentation, materials for presentations

Part of the role of the presentation is to explain CLBC, the other part of the presentation is to listen to what the concerns are.

3. Time lines for Community Presentation

January 15 - June, 2008

Reporting:

Council members to compile information obtained at various meetings and to create a report on information obtained.

Report to identify what the concerns, needs and issues are in each community.

Create an Evaluation tool that will become part of the Tool Kit:

Get feedback of council presentations through evaluations.

Questionnaire to be developed for the purpose of obtaining information on community's concerns and issues.

Develop questions for use by self advocates, parents to find out what's working address issues

Discussion on groups to focus on in each community.

Next Council meeting: **to be announced**
