

North Shore Coast Community Council

Community Living B.C.

Minutes January 26, 2008

Present: Fiona Galvani, Rick King, Peter Russell, Liz Barnett
Regrets: Glen McClughan, Robert Soumang, Catherine Abraham, Cheryl Baker, Pat Hull
and Coranne Anderson
Minutes: Mary Dowdall

Overview

- Gave everyone a copy of the tool kit so that presentations can start throughout North Shore Coast. Will ensure over the next two weeks that everyone who was not present at the meeting gets a tool kit and I can go over the various information.
- Went over the strategic plan that Gavin Perryman did and the version that Catherine did (thanks Catherine) and made a motion to adopt it. When doing presentations if people want a copy of the strategic plan then members should have extra copies. The shorter version is probably the one you want to hand out as it is short and easy to understand.
- Doug Woollard (Vice President of Community Planning and Development) will be doing three presentations over the next month in the North Shore Coast. He will be giving an overview of CLBC. It is also an opportunity for the Council to introduce themselves and give a brief overview of the strategic plan. The dates are:

North Shore: Feb 20th at Westview School Gym from 7:00 - 8:30 pm

Sechelt, Gibson's: Feb 26th in the Seaside Room from 7:00 - 8:30 pm

Powell River: Feb 27th at the Town Center Hotel from 7:00 - 8:30 pm

Fiona, Rick and Peter said they are available to come to the North Shore meeting. If anyone else would like to attend as a Council member please let me know that would be great.

With regard to the Sechelt Gibson's meeting Liz Barnett said that she would come as Glen is away. I will also see if Bob can attend as well.

With regard to the Powell River meeting on the 27th, Pat Hull and Coranne Anderson said they would attend.

With regard to doing presentations in the North Shore, Gibson's and Sechelt and Squamish - Isabelle and Mary will create a beginning list of groups and individuals that are already meeting and the Council members will add to it. Once the lists are created for each part of the region then the Council members from that region will decide how to proceed with the presentations.

With regard to new membership for Squamish - Rick will follow up with an individual he knows who has expressed an interest. Mary will also phone Liz Wood to see if she knows of anyone who might be interested.

With regard to new membership in Sechelt, Mary will follow up with Glen.

January 29th, 2008

Met with Pat Hull and Coranne Anderson and went over the tool kit.

They have a list of individuals and groups they are going to present to and over the next month will map it out and let the council know their timeline.

Next Council meeting date:

Next meeting for the whole council is scheduled for **April 25th, 2008**.

Location to be determined. There will probably be smaller meetings with various council members to discuss how presentations are going in their specific region.
