4. **Participation in Community Events Feedback – May 29th Ladner May Days Parade (Alison)**

This is the second year that CLBC S/D/WR Council was involved in the Ladner May Days parade. Susan Sorensen from CLBC took on the coordination of this. Both Alison and Susan attended the parade with the banner, t-shirts and bags of candy.

A request was made to move up the start position in the parade, but upon arrival was positioned at #48. Alison then requested that CLBC be changed to being near Special Olympics group.

Moving forward, we need to ensure more people take part. It was agreed we should continue to take part in the parade, with the realization coordination/cooperation with CLBC staff is necessary, and especially reinforces the role and importance of a Community Engagement Facilitator.

5. **Discussion about Fall Housing Forum with Janet Klees presenting**
Janet will be in BC October 24-27; therefore, Council will confirm the date she is available to present, and how much time she would like.
ACTION: Marie will email Jack Styan and request Janet Klees to speak on October 26.
Need a venue, perhaps Fleetwood area; e.g., Surrey Sports & Leisure Centre. (Request to Josefina she look into the venue.)
The Council members also discussed the possibility of using this event in place of the October Council meeting.

6. **Inclusive Employer Awards – (formerly Innovative Labour Solutions Awards)**
Edwina reported in Linda's absence. We have one registration thus far: Marie Sabine.
'Nominations Are Open' flyer and 'Invite' flyer are available for disbursement. CLBC S/D/WR Community Council page has event information posted. Lisa Porcellato advised information sent in CLBC employee InfoFlash.
Also available are business cards with event information, website www.employerawards.ca and other social media.
On June 14 a committee member presented to the Surrey Board of Trade breakfast meeting and three committee members presented to Cloverdale Chamber luncheon. Another presentation is expected on June 21 to White Rock Chamber.
Sponsorships are needed in order to make the budget.
In the previous year, a Community Engagement Facilitator assisted the Chair and committee; however, not having this position filled this year, the committee recognizes the importance of having this support available.
