**Call to Order**

The Chair called the meeting to order at 6:10 p.m. and welcomed members.

**Agenda**

This was a working session so no agenda was distributed.

The original topic as per previous minutes was Action 35 - Transportation. Prior to the meeting, the Chair informed that she was approached by the CLBC Community Relations Specialist, who is interested in highlighting the Surrey/Delta Community Council in an article on "Life-Long Learning". The Chair had emailed out to the Council requesting that they postpone the "transportation" action plan for a future meeting and deal with the importance of creating "connections" through recreation and leisure activities for people of all ages, opportunities for Life-long learning and employment. Council members unanimously agreed.

**Appreciative Inquiry**

The Council worked in groups through the first two steps: Inquiry and Imagine. Each Council member was asked to take the ideas home and work on the third step: Innovate. During the next working session the Council will go through the last step: Implementation. The notes of the work done during this session are attached.

**Next Meeting Date**

Although back in September it was decided not to have a March meeting, the Council considered it beneficial to call for a meeting on March 25, 2010 at 6:30pm.

**Adjournment**

There being no further items to discuss, the Chair adjourned the meeting at 8:30.
