# MANAGING THE MONEY: DIRECT FUNDING SIMPLIFIED GUIDE

## Introduction

This guide explains the responsibilities for *agents* managing Direct Funding of \$10,000.00 or less during a twelve-month period. It describes the financial procedures and explains how money received through Direct Funding, including direct-funded respite dollars, can be spent to support an individual.

The *agent* is the person who signs the *Direct Funding Simplified Agreement*, and who acts on behalf of an individual. An individual can also act as their own *agent*. Throughout this guide, 'you' refers to the *agent*.

*Agents* managing Direct Funding of more than \$10,000.00 for an individual annually should refer to the guide called *Managing the Money - Direct Funding Standard*.

## Getting Started

To receive Direct Funding dollars to pay for services, *agents* will first need to work with Community Living BC (CLBC) to sign a *Direct Funding Simplified Agreement*.

The *Direct Funding Simplified Agreement* is a contract between CLBC and the *agent* who will manage the funding. This agreement identifies the individual who is being supported, the amount of funding the *agent* will receive from CLBC, the type of service that is being funded (e.g., respite) and the term of the agreement (start and end dates). The agreement also describes the responsibilities of both the *agent* and CLBC.

## Knowing Your Responsibilities

### Complying with CLBC Policies

As stated in your *Direct Funding Simplified Agreement*, Section 4.1 (c), you are responsible, as the *agent*, to comply with the [CLBC policies and procedures](#) that are relevant to your funding agreement. This includes any policies specific to the type of service you are receiving funding for, as well as CLBC policies such as the *Service Provision by Family Members* policy that apply to all services provided through CLBC funding.

It is particularly important that as an *agent* who is hiring or contracting support/respite workers, you review and understand your responsibilities as outlined in the [Criminal Record Check Policy – Service Delivery](#), as well as all other applicable policies. The *Criminal Record Check Policy: Service Delivery*, and [related documents](#) and other CLBC policies are available on the CLBC website ([www.communitylivingbc.ca](http://www.communitylivingbc.ca)) or ask your CLBC analyst for a copy of the documents.

As the *agent* for a *Direct Funding Simplified Agreement*, under the *Criminal Records Review Act*, you are required to conduct criminal record checks on **all** employees or contractors working with individuals receiving CLBC-funded services (including respite services). This means that you

are required to create your own Employer Criminal Record Check account through the Ministry of Public Safety and Solicitor General's Criminal Records Review Program and complete your criminal record checks through this account. For more information, contact:

- *Ministry of Public Safety and Solicitor General's Criminal Records Review Program* - phone: 1-855-587-0185, web: [www2.gov.bc.ca/gov/content/safety/crime-prevention/criminal-record-check/online-service-information](http://www2.gov.bc.ca/gov/content/safety/crime-prevention/criminal-record-check/online-service-information)

## Legal Responsibilities as an Employer

When you use funds to pay support workers, the workers are considered either “employees” or “contractors,” depending on the facts of the working relationship. This distinction is important in order to understand your legal responsibilities, as Canada Revenue Agency (CRA), Employment Standards Branch (BC), and WorkSafeBC all have rules that define when someone is an employee or a contractor.

As the *agent* for a *Direct Funding Simplified Agreement*, you are responsible for determining the definitions that apply to the support workers you pay. If, for example, you are paying someone to provide respite, *how* the respite is provided is a factor in determining whether the respite provider is an employee or a contractor (e.g. is the respite provided in the respite provider's home or your home? do you pay hourly for the respite or by the day? etc.).

For information about what government agencies you need to contact to find out if your support workers will be considered employees or contractors, please refer to “*How to Find Out if your Support Workers are Employees or Contractors*” on the CLBC website ([www.communitylivingbc.ca](http://www.communitylivingbc.ca)) or ask your CLBC analyst for a copy of this document.

If your support workers are employees, you are responsible for fulfilling all legal requirements associated with being an employer. To assist in determining what these responsibilities are you may need to seek professional advice and/or contact:

- *Canada Revenue Agency* - phone: 1-800-959-5525, web: [www.cra-arc.gc.ca](http://www.cra-arc.gc.ca)
- *WorkSafeBC (Employer Service Centre)* - phone: 1-888-922-2768, web: [www.worksafebc.com/en/for-employers](http://www.worksafebc.com/en/for-employers)
- *BC Employment Standards Branch* - phone: 1-833-236-3700, web: [www.labour.gov.bc.ca/esb](http://www.labour.gov.bc.ca/esb)
- *BC Employers' Advisers Office* - phone: 1-800-925-2233, web: [www2.gov.bc.ca/gov/content/employment-business/employers/employers-advisers-office](http://www2.gov.bc.ca/gov/content/employment-business/employers/employers-advisers-office)
- *Vela* - phone: 604-539-2488, web: [www.velacanada.org](http://www.velacanada.org)

## Administering the Money

CLBC will start making payments to you after both you and CLBC sign the *Direct Funding Simplified Agreement*. This section will help you prepare to receive and manage funding received through a *Direct Funding Simplified Agreement*.

## Bank Accounts

CLBC funds can be deposited into and purchases paid directly from your personal bank account, or you can choose to use a separate bank account for all your Direct Funding transactions, so they are kept separate from your personal banking transactions. A separate bank account may make it easier for you to manage Direct Funding and keep track of how the money is spent.

The bank account used to manage the money must be in the name of the *agent* who signed the *Direct Funding Simplified Agreement*. If you use your personal account, including joint accounts, the account name must contain your name as the *agent* for the *Direct Funding Simplified Agreement*.

To help reduce administration costs you should ask your financial institution about your account options, as some banks and credit unions offer free services and/or may waive their typical fees for individuals with developmental disabilities.

## Receiving Funds from CLBC

Once your agreement is signed, you will receive your payment by cheque. To have money electronically deposited to your bank account, you will need to submit your bank account information to CLBC.

CLBC will provide you with a [Direct Deposit Application form](#) (FIN 312/CLBC) that should be completed so that money can be transferred electronically to the account. Before you complete the *Direct Deposit Application*, be sure to tell CLBC if you already receive payments or electronic transfers from the BC government so staff can make sure the setup of electronic transfers relating to your Direct Funding agreement goes smoothly. Instructions for completing the *Direct Deposit Application* are outlined on Page 2 of the *Direct Deposit Application*.

On the *Direct Deposit Application*, enter the name and location of the bank and the account details (transit and account number) for the bank account you plan to use to manage the money you receive from CLBC. Either attach a copy of a personal pre-printed cheque that includes the account holder's name and the bank coding information (be sure to mark the cheque as VOID), or have the bank or credit union verify the details on the form by stamping and signing it. If the CLBC agreement or contract is "In Trust" the bank account name must match exactly to the name on your contract or agreement and banking documentation showing the full bank account name is required (a bank's domicile stamp and signature alone are not sufficient).

Return the completed *Direct Deposit Application* form by person or mail to your CLBC analyst as soon as possible. CLBC requires the original signed *Direct Deposit Application* and original supporting documentation.

Payments will be made by CLBC to you once each month, typically on or about the 15th calendar day.

## Paying for Supports and Services

Wherever possible, you should pay for services you purchase by cheque or e-transfer. Cash may *only* be used in circumstances where the cost is low, and you are paying for something that would typically be paid for by cash (e.g. bus fare for a support worker). If you make cash withdrawals, obtain and keep receipts showing how you spent the money.

Occasionally, CLBC will review your financial records such as invoices, receipts, paid cheques and e-transfer documentation. Funding may be suspended and/or CLBC may require repayment if inappropriate expenditures or unsupported cash payments or withdrawals have been made (for more information, see section titled "[Allowable Expenses](#)").

## Keeping Financial Records

You must keep these financial records (invoices, receipts, paid cheques, e-transfer records and any other supporting documents) for everything you spend Direct Funding from CLBC on for at least **three years**. You will be required to submit copies of these financial records to CLBC if you are selected for audit (for more information, see section titled "[Audit by CLBC](#)").

It is important you obtain *receipts* and/or *invoices* from support workers when you pay them. *Receipts* must be provided by and/or signed by the person you paid to provide the service. A support worker may provide you with an *invoice* for the service they have provided. An *invoice* provides details of your purchases but does not confirm that you have paid for them. If you receive an *invoice*, you also need to show that you have paid the *invoice*. You can ask the support worker to provide you with a *receipt* or keep a copy of your paid cheque or e-transfer documentation with the invoice as proof that you have paid it.

For payments to support workers, a *receipt*, or an *invoice* with proof of payment, must be obtained that shows:

- The name and contact information of the support worker providing service (i.e. phone number and address)
- A description of the services
- The dates that the service was provided
- The hourly or daily rate charged by the support worker(s)
- The number of hours or days provided by the support worker(s)
- The total amount paid for the services
- Any applicable taxes
- A statement that the services have been paid for

For other purchases you make, the supporting documentation must be itemized and include the details of the nature of your purchases.

You may find it helpful to use the [Receipt Template](#) provided at the end of this document.

It is easier to remember what you used the money for if you write it down on the same day that you spend it. To assist you in keeping track of your financial documents, file invoices and receipts supporting each payment in an organized manner - filing by date is normally easiest.

## Audit by CLBC

Every year, CLBC selects a number of Direct Funding agreements for audit. If you are selected for audit, CLBC will ask you to submit copies of all financial records including invoices, receipts, paid cheques and e-transfer documentation for a particular reporting period. CLBC will review these financial records to make sure that your purchases comply with your *Direct Funding Simplified Agreement*.

You may be considered ineligible to receive future direct funding if:

- Your purchases are not allowable
- You have not complied with your agreement, and/or
- You have not kept adequate financial records.

CLBC may also require you to pay back money that you have already received if you are unable to satisfactorily show how you spent it.

It is important that you retain all financial records for at least **three years**, because CLBC may select them for audit within that time.

## Repaying Money to CLBC

CLBC may ask you to repay money in the following circumstances:

- You did not spend or account for all of the money you have received when the term of the agreement ends
- You spent the money on purchases that were not agreed to in your funding agreement

Money that you have not spent at the end of your agreement will not be carried forward for you to spend in a future agreement except in exceptional situations. If you feel that you are encountering an exceptional situation that may require funds to be carried forward to the next agreement, you need to talk with your CLBC analyst as far ahead of the contract renewal date as possible to request consideration for an exception.

After CLBC Accounting Services receives your final *Compliance Report* they may send you an invoice for any money that was not spent. To pay the invoice, issue a cheque payable to "Community Living BC" and reference the CLBC invoice number on the bottom of the cheque. You can mail the cheque to CLBC at the address indicated on the invoice or drop it off at your local CLBC office.

## Funding Shortfalls

It is your responsibility to set up and manage the support services within the amount of money approved in your *Direct Funding Simplified Agreement*. There is no provision for over-expenditures. If you spend more money than CLBC has agreed to provide, you will have to pay the excess amount from your personal funds.

## Purchasing Supports and Services

This section of the guide will help you understand what services or expenses you can purchase with Direct Funding, including respite services.

### Allowable Expenses

CLBC provides funding to pay for the supports and services as identified in your *Direct Funding Simplified Agreement*. This can include:

- payments made to the support worker (e.g., contractors or employees) for services provided, and
- any associated employer costs, e.g., Criminal Record Checks, WorkSafe BC premiums, Employment Insurance, etc. when applicable.

You may use a small portion of the money you receive to pay expenses incurred by your support workers as part of their direct involvement in support activities, for example:

- bus fare
- entrance fees, and
- mileage costs for driving the individual to and from an activity.

These costs should be kept reasonable and itemised on receipts or invoices.

What CLBC considers an allowable expense in direct funding agreements (in addition to the staffing and administrative-related costs noted above) differs depending on what service or support the funding is being used for. Allowable expenses differ slightly between services for the individual (i.e., residential, community inclusion and other services) and respite services which are available to support family caregivers. The chart below identifies expenses that are allowed and not allowed based on the service funding.

### Direct-Funded Respite

Families are an important natural support for many individuals and need to be resilient to support their family members. Respite promotes stability, reduces stress, and promotes resilience within families. Many families with *Direct Funding Simplified Agreements* receive funding for respite. Respite is a support that provides relief to family members and/or support network members from the continuous demands of caregiving. If you receive respite funding, please refer to the *Family Respite Policy* in Appendix A of this guide and to the chart below – “*Direct Funding Expenses: What is Allowed?*” – to learn more about what you can purchase with your respite funding.

Note that you cannot pay yourself or the individual's spouse, parents or children (immediate family member) to provide services (unless exceptional approval has been given as outlined in the [Service Provision by Family Members Policy](#)).

If you have any questions about how your funding can be spent, talk to the CLBC analyst who assisted with your agreement or call your local CLBC office and ask to speak to an analyst.

## Reporting Back to CLBC

As an agency that receives provincial government funding, CLBC is required to confirm that the money you receive is being used for purchases that are in line with the types of support services identified in your agreement and allowable under policy (for more information, see section titled “[Allowable Expenses](#)”). To help with this, you are required to complete *Compliance Reports* and submit them to CLBC. With a *Direct Funding Simplified Agreement*, CLBC prefers that you submit *Compliance Reports* through an online reporting system, however if this is not possible (i.e. you do not have a computer or internet access), you can send them by fax or mail.

### Compliance Reports

The *Compliance Report* gives your declaration to CLBC that the money you received has been spent as intended. It also identifies the amount of money you have spent during the reporting period. If you do not submit your *Compliance Reports* on time, payments to you may be stopped and you may be asked to repay the money that you have already received from CLBC.

*Compliance Reports* must be submitted for each six-month period, or less, beginning at the start date and finishing at the end date of your *Direct Funding Simplified Agreement*. For example, an agreement with a term starting January 1<sup>st</sup>, 2018 and ending fifteen months later on March 31<sup>st</sup>, 2019 requires *Compliance Reports* for the following three periods:

- January 1, 2018 to June 30<sup>th</sup>, 2018 (6 months),
- July 1, 2018 to December 31<sup>st</sup>, 2018 (6 months),
- January 1, 2019 to March 31<sup>st</sup>, 2019 (3 months).

*Compliance Reports* must be submitted to CLBC no later than 30 days after the end date of the reporting period. In the example above, the first report must be received by July 30 (30 days after June 30<sup>th</sup>).

If an agreement does not start on the first of the month, the *first* reporting period is adjusted accordingly. For example, an agreement that starts on September 15, 2019 and ends on August 31, 2021 would have the following reporting periods:

- September 15, 2019 to February 29, 2020,
- March 1, 2020 to August 31, 2020,
- September 1, 2020 to February 28, 2021,
- March 1, 2021 to August 31, 2021.

To make sure funding continues without any interruptions, you must submit *Compliance Reports* on time. You will be provided with reminders if you are behind in reporting. After three reminders, funding will be stopped until you have sent in all overdue reports. Your *Direct Funding Simplified Agreement* may not be renewed until any overdue *Compliance Reports* have been received by CLBC.

## Submitting a Compliance Report Online

The online *Compliance Report* is an electronic financial reporting form submitted through a web portal called the *Direct Funding Financial Reporting System*. It can be found at <https://if.communitylivingbc.ca>.

The web-based form consists of four steps in which you enter and review information about the money you received and how you spent it. Once you submit the form, a final screen provides you with a confirmation number and the details of all the information that you submitted.

### Summary:

This policy explains CLBC's respite services for families. Respite services help families get a break from supporting their family member and helps keep families strong and together.

This policy explains the 2 types of respite funding. Direct-funded respite goes directly to the family to hire their own respite workers and contracted respite goes to a service provider that helps with respite for the family.

The policy gives information on how families can and cannot use their direct-funded respite funding.

## 1. PURPOSE

CLBC supports individuals to have lives filled with possibilities in welcoming communities using natural, generic, and paid supports and services. Families are an important natural support for many individuals and need to be resilient to support their family members. When used effectively, respite promotes stability, reduces stress, and promotes resilience within families. CLBC provides respite funding to individuals and families in need of short breaks.

This policy provides guidance to individuals and families, as well as service providers and CLBC staff that work with families. It applies to individuals who live with family caregivers. Guidance on the provision of respite services in home sharing arrangements is outlined in *CLBC's Respite Guidelines Policy*.

## 2. DEFINITIONS

**Agency-coordinated:** Services coordinated by a community-based agency.

**Catalogue of Services:** The list of services funded by CLBC as well as associated parameters that relate to disability-related needs and the amount of service that can be provided.

### **Policy Framework**

**Criminal Record Check:** A criminal record check refers to the legislative requirement set out in the *Criminal Records Review Act* which involves a search of police records against a list of “**specified or relevant offences**”. This list is set out in Schedules (1 and 3) to the *Criminal Records Review Act* and is designed to capture offenses related to physical, sexual or financial abuse of vulnerable adults. Criminal record checks are run through the Canadian Police Information Centre, Police Records Information Management Environment (the province’s local police database) and the BC Corrections database only returning records related to these listed offences. Checks are also informed by a search of law enforcement databases, in collaboration with the Royal Canadian Mounted Police’s (RCMP) Criminal Records Review Unit, which returns all information related to the Act’s listed offences, including non-conviction information (e.g. outstanding charges, convictions, criminal investigations as well as incidents that did not result in a charge or conviction) that the RCMP unit assesses as indicative of a likely public safety risk when working with vulnerable adults.

**Cultural Safety:** Refers to promoting a culturally safe environment that is physically, socially, emotionally, and spiritually safe. There is recognition of and respect for the cultural identities of others without challenge or denial of an individual’s identity, who they are, or what they need. Culturally unsafe environments diminish, demean, or disempower the cultural identity and well-being of an individual.

**Direct Funding:** An Individualized Funding payment option whereby funds allocated by CLBC are paid to an individual or their agent for the purchase of individualized supports and services.

**First Aid Certificate:** A qualification awarded upon successful completion of an 8-hour course covering primarily life-threatening emergencies (CPR, bleeding, choking, and other life-threatening medical emergencies).

**Generic services:** Publicly funded services that all citizens access, for example, libraries, colleges, or community recreation centres.

**Individual:** A person 19 years of age or older who has a developmental disability, as described in the *Eligibility Policy*.

**Natural Supports:** Support provided on a voluntary basis by an individual’s support network, including family, friends, neighbours, co-workers and others. Additional support may come from participation in associations (e.g., social clubs and groups) or community activities that have public participation (e.g. sport teams, adult interest groups like garden clubs and community choirs, faith communities).

**Respite:** A support to provide relief to an individual, family, or shared living provider.

## 3. POLICY

### 3.1 Respite Services

Respite is an important support for individuals and families. Respite provides opportunities for an individual CLBC supports and their primary caregiver or supporter to have short breaks from one another. For individuals living with their families, respite is often provided by the individual's extended family and support network. In addition to these natural supports, respite is a funded service in CLBC's Catalogue of Services that supports the resilience of families.

### 3.2 Respite as Individual and Family Support

CLBC trusts that families have the best understanding about how to sustain their caregiving. In addition to using natural supports and generic supports in their communities, families in need of respite may request CLBC funding for either direct-funded or agency-coordinated respite. CLBC provides a minimum amount of funding to all individuals who reside with their family and receive no other CLBC-funded services. This minimum funding can be used for respite services.

### 3.3. What Direct-Funded Respite Can Be Used For

Families using direct-funded respite may use it for:

- Support workers (e.g., contractors or employees) who provide care and/or support to the individual.
- Recreational, social, or educational programs (e.g., swimming class) for the individual that is intended to provide respite for the family and is provided at times they would typically provide care or support.
- Support workers to assist the individual to attend courses or activities in the community.
- Supports or services that assist in activities required to care for the individual due to their disability-related needs (e.g., cleaning, laundry).
- Professional counselling services for the family or individual.
- Learning and connecting opportunities (i.e., workshops, support groups) for the family caregiver to learn new support strategies, access peer supports, and increase their ability to support the individual in their family home.
- Other reasonable services that support family functioning and quality of life for the individual while allowing the family caregiver to achieve respite in a way that provides cultural safety and honours the individual's choices (e.g., cultural bearer, elder, or extended family support).
- Banking fees, if a family chooses to open a separate bank account, including costs for ordering cheques.
- Any costs associated with contracting or hiring respite support workers e.g. WorkSafe BC costs, criminal record checks, etc.

### 3.4 What Direct-Funded Respite Cannot Be Used For

Direct-funded respite funding **cannot** be used to purchase:

- Assets (e.g., personal items or equipment for the individual such as a computer or tablet).

- Services or activities for the family caregiver (e.g., gym fee, haircut, etc.), with the exceptions of counselling or learning and connecting activities as noted above.
- Food or meal services, excluding supports to assist the individual in meal planning and preparation.

### **3.5 Direct-Funded Respite Requirements For Individuals and Families:**

Individuals and families with direct-funded respite are required to retain and provide all receipts as part of CLBC reporting and accountability measures.

Individuals and families contracting or hiring respite workers, including extended family members, must comply with CLBC's *Criminal Record Check Policy: Service Delivery*, First Aid requirements, and other applicable CLBC policies and provincial and federal laws.

### **3.6. Contracted Respite**

Individuals and families allocated respite funding may choose to use contracted respite through a service provider where it is available. Service provider or agency-coordinated respite services for individuals and families:

- Screen support workers to provide respite services for individuals and families and coordinate all associated administrative details.
- Comply with CLBC's *Criminal Record Check Policy: Service Delivery*, First Aid requirements, and WorkSafe BC rules.
- Work with individuals and families to match and schedule support workers to provide respite services, ensuring culturally safe services and supports for individuals and families.

### **3.7 Provision of Respite**

In addition to having appropriate training and experience, persons providing respite services must, at minimum:

- Be at least 19 years of age.
- Be present and in charge during all hours that respite is required.
- Be aware of the individual's needs and preferences.
- Be aware of and sensitive to the individual's culture.
- Be aware of the individual's health and support requirements.
- Know how to respond in an emergency and have a valid First Aid certificate.
- Have no criminal record that prohibits a person supporting CLBC-eligible individuals.

### **3.8 Emergency Respite**

At times, individuals and families may require short-term respite to support the individual and caregiving arrangement in an emergency. Emergencies can include situations in which the individual or the family experiences a crisis. Requests for emergency respite are made through the individual's CLBC Facilitator.

Direct-funded respite to a maximum amount of \$10,000 annually may be used flexibly by families (see Section 3.3 for eligible expenses), while use of direct-funded respite beyond the \$10,000 annual maximum is limited to funding:

- Support workers (e.g., contractors or employees) who provide care and/or support to the individual.
- Banking fees, if a family chooses to open a separate bank account, including costs for ordering cheques.
- Any costs associated with contracting or hiring respite support workers e.g., WorkSafe BC costs, criminal record checks, etc.
