Message sent on behalf of Henry Chen, CLBC VP Finance and CFO

Dear Service Providers,

We are pleased to announce that the distribution of funding via the Program Negotiations – Global Uplifts (PN-GU) process is now **100% complete for both the 2022/23 and 2023/24 Fiscal Years (FYs)**!

All programs have now been uplifted and all Service Providers have received their funding uplifts. This is a significant milestone, and your support and patience as we prioritized the delivery of two consecutive sets of annual uplifts was greatly appreciated. We would also like to express our gratitude to the Service Provider Working Group for their invaluable contributions in ensuring that the perspective of Service Providers was considered throughout the project.

Fiscal Year	# of Impacted Contracts	# of Uplifted Programs
2022/23	2,045	3,718
2023/24	2,027	3,710

Further information relating to the PN-GU process for FY 24/25 will be circulated shortly.

Please continue to visit the [PN-GU project page](#) for useful information relating to the following: Project Overview, Training, Communications, Additional Resources, Questions, Supports and Key Contacts.
