

ARE YOU A PARENT WITH A DISABILITY?

We are looking for parents with intellectual and developmental disabilities to talk with for our research.

We are interested in hearing about your experience being a parent.

What to expect

- A researcher will contact you and talk about the research project
- If you decide to participate, you will join a focus group with other parents for around 60-90 minutes to talk about your experiences and what supports and services were available to you as a parent.
- Groups will be in-person, or online
